

# The Cervantes Group Press Release

The Cervantes Group Makes Inc. Magazine's Fast 5000 for the Fourth Time.

**Chicago, IL – August 28<sup>th</sup>, 2024**

“4X Winners, Yes!!!” stated Joanna Bauza, CERVANTES’ Co-Founder & President. “Our high growth is mostly related to the substantial expansion of our markets in the United States, Mexico, and in Puerto Rico. We are beyond just having a MBE or WBE certification; we are a real multi-million dollar corporation that has processes, synergy and operates like a family”, Joanna exclaims. This includes adding Dallas, Jacksonville, Kansas City, Mexico City and Orlando as cities that CERVANTES operates in the past two years. “We have initiated new training certification programs such as Agile SAFe, AWS cloud and leveraging our Microsoft Affiliation” said Will Stephens, Global VP. “We are growing at least five new offices a year and hiring a lot of amazing people and we say to them all, our goal is to be the world’s most cultured company, do you want to be a part of it?” said Timothy Mullen, Co-Founder & Managing Partner. “Also, we have Louie Del Rio, our secret weapon Chief Architect; he has been immeasurable for his technical acumen with our team and our internal SaaS solutions.”

Inc. Magazine is one of the most trusted business media brands in the industry and the Inc. Fast 5000 List recognizes the fastest-growing private businesses in the United States. As a member of this list, entrepreneurial businesses, like The Cervantes Group, become a part of an elite community backed by the integrity of this Inc. Fast 5000 list allowing the businesses to drive sales, build on partnership programs, hire amazing talent and much more. “Our goal is to continue to beat not just the market standard, to actually beat ourselves. We want to offer and give our team the best challenges and opportunities to grow as professionals and be collaborative in these efforts. That is why I love what I do Jorge Resto Moran, CoS, Global Operations states. It appears that CERVANTES is in route for more and more challenges.###
