

The Cervantes Group Press Release

The Cervantes Group integrates to new Payroll system - ADP

Chicago, IL – June 10th, 2024

After reviewing multiple Payroll software analysis, we decided that ADP not only would be an amazing partner to support our growth but also give us fast support to our continuous diverse challenges. The process has been seamless because the ADP has proven to be hands on and worked with us consistently though the whole process until we went LIVE.

We are grateful for all the hard work from our team but also from ADP. We look forward to continue growing with ADP and include us in our international operation.
