

The Cervantes Group Press Release

Subject: CERVANTES partners with Worksoft leading Automation Platform Solutions

San Juan, PR – Feb 23rd, 2026 Worksoft, a global leader in Enterprise Application Automation, and The Cervantes Group or “CERVANTES, an international business and technology management firm that specializes in English & Spanish bilingual speaking markets have launched a strategic partnership to support enterprises across the U.S., Europe, LATAM, and the Caribbean advancing their client automation goals. By integrating The Cervantes Group’s proven expertise in IT consulting and multi-channel integration with Worksoft’s no-code automation platform, the partnership enables organizations to implement faster and more reliable digital transformation projects and cost savings.

This collaboration brings together Worksoft’s automation technology – trusted by Fortune 500 companies to streamline ERP migrations, deployments, and updates – with The Cervantes Group’s deep regional knowledge and experience in IT integration with trusted clients. With this alliance, the solutions from Worksoft’s platform to help our clients reduce implementation risks, improve process accuracy, and enable IT and business teams to work together on end-to-end automation solutions across SAP, Oracle, Salesforce and other ERPs” stated Tim Mullen, Managing Partner of CERVANTES.

“CERVANTES’ expertise in integration aligns seamlessly with our automation platform to create a robust pathway for clients’ digital transformation,” said Matthew Schwartz, CEO of Worksoft. “This partnership supports businesses across key markets by helping them achieve their strategic goals efficiently and effectively.”

For CERVANTES, this partnership adds a powerful automation component to their suite of offerings. “The combination of Worksoft’s automation platform with our integration capabilities brings unmatched value to our clients,” said Joanna Bauza, Co-Founder and President of CERVANTES. “This alliance provides an efficient, streamlined approach to digital transformation, helping our clients stay ahead in competitive markets.” **Together, Worksoft and The Cervantes Group are poised to deliver results-driven automation solutions that meet the needs of today’s digital economy.**
